SMART PLASTICS CONGRESS 2022 - SPONSORING OFFER -

Polymeris organizes the **8th edition of the Smart Plastics Congress**. The Smart Plastics Congress 2022 will take place on April 5th and 6th during the FIP trade fair in Lyon. The congress will include topics such as **plastronics, printed electronics and surface functionalization**. The technical conferences will focus on research **projects results** and the latest **technological innovations**. The 8th edition will combine **pitch sessions** and **markets round table** session.

Please join us and become a congress sponsor, in order to:

- ✓ **Promote** your products and services to plastics and electronics companies
- ✓ **Be part** of an international event dedicated to new technologies and innovation in plastic industry
- ✓ **Develop** projects and business contacts within European players
- ✓ **Place your logo** on congress communication

➔ **Price of the sponsoring offer: 1000€ tax excluded**

Content of the offer:

- ✚ Display of your **roll up** in the **conference room**,
- ✚ A table will be provided to allow you to **insert** business and technical information,
- ✚ Be invited to join a round-table,
- ✚ Sponsor one of the meals with a 5-minute speech (diner on April, 5th and lunch on April 6th),
- ✚ Display of your **roll up** in the **conference room**,
- ✚ The sponsor offer is limited to a restricted number of **2 partners** to maximize **your visibility**.
